

**UNITED STATES ASSOCIATION  
of INDOOR WHEELCHAIR SOCCER**

**IWS FORM - E  
PROTEST FORM**

**INFORMATION:** The Head Coach must file the protest within 15 minutes of the conclusion of the game in question. Any protest submitted after that time will not be accepted. If the Head Coach wants the time of protest noted on the game score sheet, then the Head Official must be told of the protest at that moment in the game so the score keeper can make appropriate notations.

All protests must be submitted to the USA-IWS Rules Officer or the Lead Official. Protests must be accompanied by \$50 in US dollars. If the decision being protested is upheld, then the money is forfeited. If the decision is overturned, then the money is returned.

**Judgment calls of the Officials cannot be protested**, only decisions relating directly to a rule in the most recent edition of the rulebook. The Protest Committee should make every attempt to provide a timely response so as not to interfere with the operation of the tournament.

**INSTRUCTIONS:** Each protest must include the following steps to be recognized as legitimate:

1. Complete the form below and submit **with \$50 cash**
2. Clearly and concisely state your reason for protest citing the specific rule.
3. Do not seek to engage the protest committee after submission of your protest form.
